Hello,

Sorry to reply so late! I like what I've been shown, however I'd like to make the correction that I'm not a voice actor for comics, as they are books and do not typically come with audio. That being said, I have written one, which may be worth noting. Keep up the good work!

Always a pleasure,  
Orion Jerwa

Hello!

I was fully under the impression that I'd sent out an email saying I accept and agree with what you've presented, but it appears it never made it out of drafts. A million apologies for the delay, but you can treat this email as my thumbs up on the project.

Regards,  
Orion
